

## **In the Footsteps of the Medieval Pilgrims**

In 2022, over 60 days Celia Ross walked 1,250 kilometers from Lausanne to Rome along the historic Via Francigens pilgrim's way. Join us at St. Luke's Cathedral on Sunday, October 29, at 3:00pm when Celia will reflect on this rich experience in words and images.

Everyone is welcome. Admission is free of charge, but nonperishable food items will be gratefully received.
